Customer Referral Program

Most of our business comes from referrals of satisfied customers. Therefore, to show our appreciation, we have developed a "Customer Referral Program" which rewards you whenever you help us to get qualified leads and successful sales. The more people you refer to our company, the more the rewards!

A friend of a friend is someone we would like to know. If a friend of yours has computer problems, earn valuable service credits simply by referring your friends, family members or business associates to us.

For each referral you provide us, we will send them a special certificate for 10% off their first service visit. Once the certificate is redeemed, we will issue a service credit to your account. It's that simple. The more you refer the more credits you'll receive and the amount goes up for each one.

1 st Referral	\$50.00 credit
2 nd Referral	\$100.00 credit
3 rd Referral	\$150.00 credit

** the amount will continue to go up by \$50.00 for each referral*

Information we will need for each referral:

- Name
- Phone Number
- Email address (optional)

If you or your business has experienced a positive impact from using INFO-TEK, please refer another growing business or person to us.

Thank you for helping to grow our small business!
